Wedding Guest Photo Sharing Checklist

One simple plan for the pictures guests take, before, during and after the wedding.

Wedding / event: _____

Photo-sharing helper: _____

Upload link: _____

Upload deadline: _____

Download reminder: _____

Gallery: [ ] Private [ ] Shared with guests

2-4 WEEKS BEFORE

- [ ] Choose one place to receive guests' photos and videos
- [ ] Test the guest link on a phone without using your host login
- [ ] Set who may view or download photos and note upload deadlines
- [ ] Decide who will manage the collection on the wedding day

1-2 WEEKS BEFORE

- [ ] Make a QR sign with a clear "Share your photos" instruction
- [ ] Test a printed, final-size code on iPhone and Android
- [ ] Place signs near tables, guestbook or other natural gathering points
- [ ] Give the helper the clickable link and a spare copy of the sign

WEDDING DAY

- [ ] Have the helper check signs and give one brief reception reminder
- [ ] Keep any unplugged ceremony phone-free
- [ ] If the internet fails, ask guests to upload from home later

AFTER THE WEDDING

- [ ] Send a thank-you message with the direct link and a firm deadline
- [ ] Check privacy and remove accidental or duplicate images
- [ ] Download originals before storage expires and verify the files
- [ ] Make a second backup; separate guest images from professional photos

ONE MESSAGE TO COPY

Thank you for celebrating with us! Please share any photos or videos at [LINK] by [DATE]. We would love to see the day through your eyes.

Keep the guest photos separate from the photographer’s delivered gallery. Back up both.
